Points to be noted:

- Please note that the academy will grant a deferral of your commencement or temporary suspension of your studies only if there are compelling and compassionate circumstances and the evidence for the following has been attached.
- In case where deferment or suspension has not been granted, students are required attend their classes at VIA as per their course schedule. Failure to do so may be seen as abandoning studies and students may be cancelled from their course which may impact on their ability to access future government funding for training.
- It is advised that students have the right to appeal through VIA’s complaints and appeals process, in accordance with standards (Complaints and Appeals). The deferment, suspension or cancellation will not take effect until the internal appeals process is completed, unless the student’s health or wellbeing, or the wellbeing of others, is likely to be at risk.
